

# CHAMPAGNE & WINE LIST

We constantly strive to deliver the highest quality of product and service.

All of these wines have been personally selected by Richard Balls, with a desire to source the best quality from individual growers.

We buy many wines, particularly from Bordeaux and Burgundy, to age until they are mature; a large investment but vital to ensure that we are offering the correct level of quality.

Perfect for Parties, Events, delivered to your home or in our Bars & Restaurants...
